

International travel to France

1/ In the context of the implementation of the state of health emergency in France because of the COVID-19 pandemic, access restrictions to Mainland France and to French Overseas territories are in effect.

Every traveler is requested, since 8 April 2020, to fill out and carry one of the following travel certificates according to his situation :

- For an international travel from abroad to mainland France
- for an international travel from abroad to French overseas territories
- for a trip from mainland France to French overseas territories

From 25 May 2020, travelers are also requested to fill out and carry with them a statement certifying they do not have any symptoms of a COVID-19 infection. The statement can be found below.

The certificate and the statement are to be presented to transportation companies before boarding, as well as to border control authorities.

2/ From 25 May 2020, the following sanitary measures will apply for international travelers upon arrival on the French territory :

- Travelers coming from the outside of the European space (all countries except European Union member states [except Spain], Andorra, Iceland, Liechtenstein, Monaco, Norway, San Marino, Switzerland, Holy See), as well as travelers coming from the United Kingdom (from 8 June on) and from Spain (by air only), will be invited to carry out a 2-week quarantine at home, or in a dedicated location provided if needed, upon arrival in France.
- Travelers coming from the inside of the European space (European Union member states [except Spain], Andorra, Iceland, Liechtenstein, Monaco, Norway, San Marino, Switzerland, Holy See), will not be subject to any sanitary measures if they show no symptoms of a COVID-19 infection.
